Bar House # 21 negroes

ENG 13 (TOP) 209 N. Dearborn
Organized here in the early 1880's and still in operation.
ENG 21 (UPPER LEFT) 14 W. Taylor St
This was location of first Negro company in Chicago.
ENG 104 (Lower Left) 1409 S. Michigan
Note carefully the drop harness just inside door up near ceiling, and cross chains along open doors to keep horses from running out in the street before being hitched on an alarm of fire.

ENG 17 558 W. Lake Street
Altho still in operation from this old house which was built in 1852 making it the oldest house still in existance in the C.F.D., it has seen many changes. In its history it withstood the Great Fire of 1871, and it served as quarters of ENG 94 at the time of the CB&Q fire of which 94 was first due.

ENG 40 - TRK 6 117 N. Franklin St
Still in operation in the Loop even though IBT next door has offered to build them a firehouse with the first three floors of a building they want to build on that site. Squad 1 is now also quartered here.

ENG 96 - TRK 29 441 N. Waller Ave
The former Town Hall of the Town of CICERO, this building has served as quarters for these companies since 1904. If you observe carefully above the words, FIRE DEPARTMENT, above the door, you may possibly still see where it had said, "CICERO Police & Fire Department. Another former house of CICERO township still remains within the corporate limits of what is now called Oak Park, at Lake & Harvey. Truck 29 joined Eng 96 here on July 31, 1905.

ENG 107 - TRK 12 2258 W. 13 TH St
Two separate buildings but considered one house, the Truck originally housed in three story, and later when 107 came they occupied a newer building to the east of the three story.

ENG 23 1702 W. 21 ST PL
A company of which, since organization has seen some of cities worst disasters in their First-due district. HP 4 was quartered here for some years.

ENG 12 1641 W. Lake St
Located here next to former police station, the company awaits the okey to move, and the house wwaits the wreckers hammer.
